GOA INSTITUTE OF MANAGEMENT

PGDM FINAL PLACEMENT REPORT 2022-2023

MESSAGE FROM THE PLACEMENT CHAIR

SASWAT BARPANDA

ASSOCIATE PROFESSOR
GOA INSTITUTE OF MANAGEMENT

"It is now 3 decades since GIM ventured on a mission to apprehend and accomplish the need of recruiters by providing the best talents, especially through its flagship program Post-Graduate Diploma in Management (PGDM). As business management becomes more evolving and diversified, the corporate world has come to expect only the best from its budding managers. Driven by a mission to create knowledge and develop responsible and agile leaders at the forefront of cutting-edge business practices, we believe creating and disseminating knowledge with an ethical and sustainable approach is a strong foundation for developing leaders. We trust to be agile is to be a lifelong learner. This ensures our graduates inculcate the ability to swiftly respond to evolving technology, customers, competition, and society. GIM places special emphasis on creating leaders who can understand, study, create knowledge, research, and adopt emerging practices, ideas, models, and technologies in the business world Students for GIM today serve with distinction in senior business positions across industry verticals with strong competencies in building organizational capabilities, people management, and communicating the corporate purpose to their diversified stakeholders.

The Placement Committee, GIM PGDM, is a team of highly motivated and dedicated students who generously and relentlessly work for the institutional goal and in developing and maintaining a sustainable and long-term relationship with the corporate world. With yet another set of the brightest management talent with inquisitive minds, ready to take on the challenges of the corporate landscape, it is my pleasure to welcome you to the placements at GIM, Sanquelim."
