

GOA INSTITUTE OF MANAGEMENT

PGDM-HEALTHCARE MANAGEMENT

FINAL PLACEMENT REPORT

2022-2023

MESSAGE FROM HCM PLACEMENT CHAIR

SHAWN COUTINHO

**ASSISTANT PROFESSOR
GOA INSTITUTE OF MANAGEMENT**

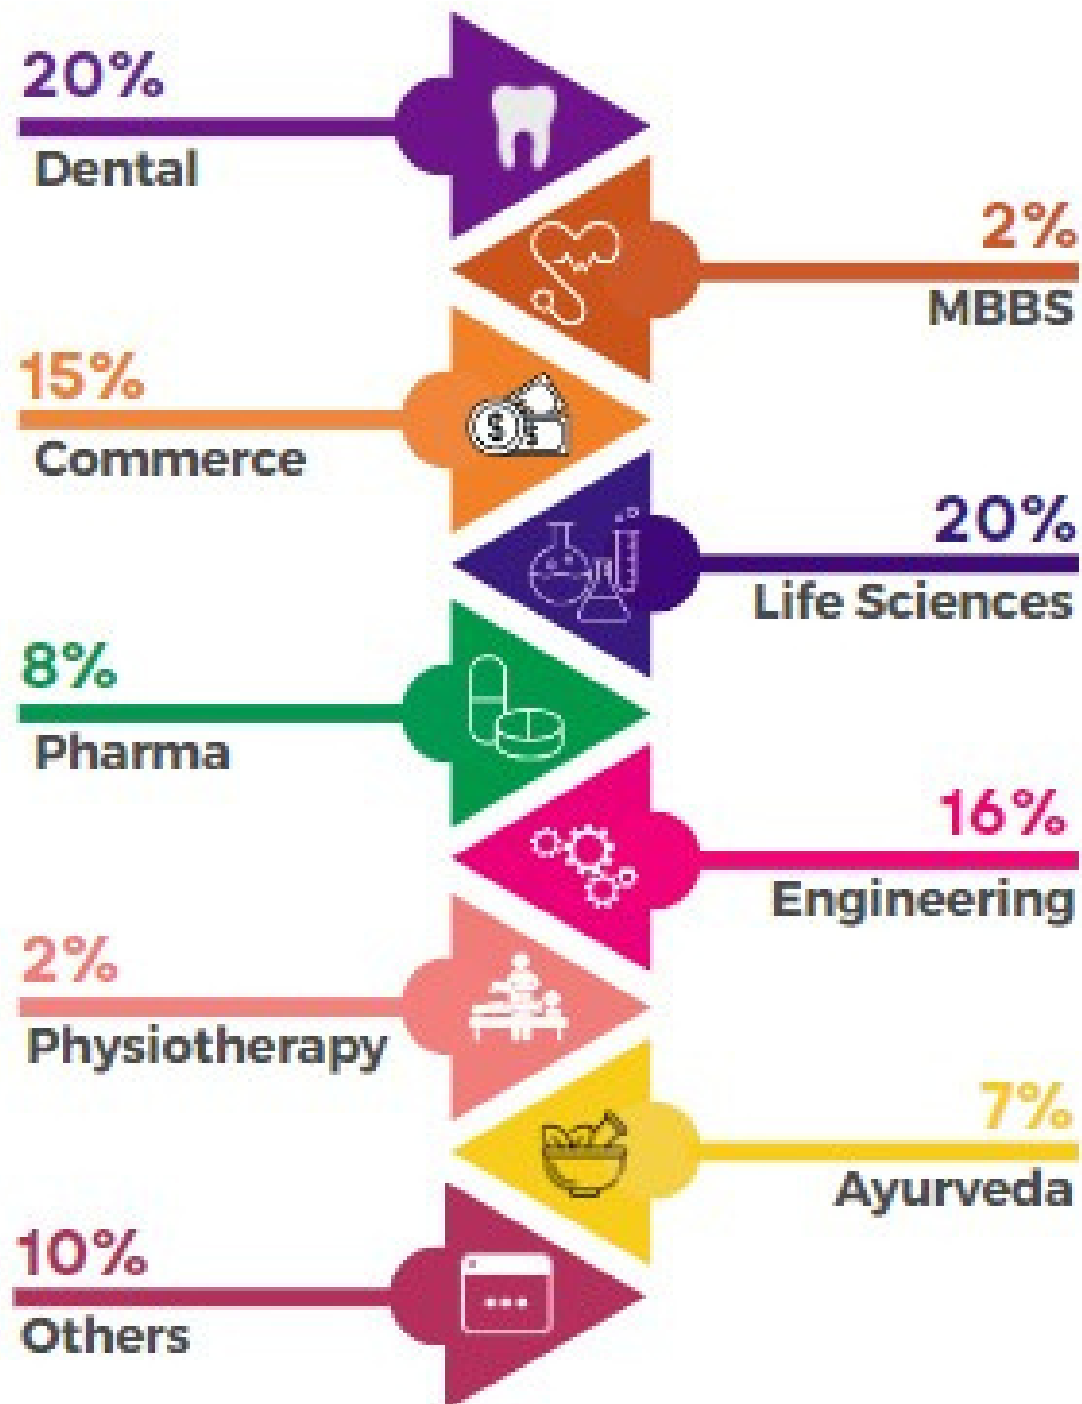

"With immense pride we would like to announce the successful conclusion of the Final Placements (PGDM-HCM 2023 Batch). Goa Institute of Management (GIM) stood out among the premier business schools of the country through its admirable Final Placements for the Batch 2023. The stellar placements at GIM (Healthcare Management) amidst the increasingly volatile economic scenario stand testimony to the faith shown by industry stalwarts in its students, pedagogy and faculty. Our recruiters entrusted their faith in the quality of talent by opening many coveted roles of Brand Management, Consulting and Business Development amongst others.

The pinnacle of the placement was the International Placement for the students which is itself an important landmark for the institute. The average salary also grew by fifty percent which is quite a feat. The placement season also received an overwhelming response from first time recruiters across various sectors of Consulting, Medical Devices and Pharma."
