FELLOW PROGRAMME IN MANAGEMENT

About GIM

GIM prepares students to be responsive and responsible leaders, making a difference in society. We offer the Fellow Program in Management along with four PGDM programmes, including PGDM, PGDM-Healthcare Management, PGDM-Big Data Analytics, and PGDM-Banking, Insurance, and Financial Services. We also offer a hybrid program for working executives and several Management Development Programmes. We have a 50 acre scenic campus with opportunities for outdoor learning, creativity through theatre, sports, and simulation games. GIM is approved by AICTE and focuses on diversity, pedagogy, and curriculum. Our students learn from peer interaction and informal communication with faculty, as well as managing activities in the Institute. Our faculty is highly qualified and experienced, many from the industries. Students get opportunities to enrich their learning through participation in a diverse range of athletic and cultural activities.
