**The Chairperson  
Placement Office (PGDM-HCM)  
Goa Institute of Management,  
Poriem, Sattari,  
Goa - 403505**

Dear Sir,

**Re: Audit of Placement Report for the batch 2024-25 of Post Graduate Diploma in Management - Healthcare Management (PGDM-HCM)**

We have audited the data related to remuneration, function & location as presented in the Placement Report prepared by Goa Institute of Management for the final placement (based on the offers received and accepted on campus) of the 2024-25 batch of Post Graduate Diploma in Management - Healthcare Management (PGDM-HCM) of Goa Institute of Management (GIM).

The preparation of the Placement Report is the responsibility of GIM. Our responsibility is to validate the information related to remuneration, function & location as provided in the report with the relevant documentation and comment on the conformance of those with the Indian Placement Reporting Standards (IPRS) Revision 2.2.

In this context, we confirm the following:

1. For the purpose of the audit, we have obtained all the information and explanations which to the best of our knowledge and belief were necessary. In our opinion, the Placement Report complies with the Indian Placement Reporting Standards Revision 2.2.
2. The validation of information presented in the report is based on communication received by GIM from recruiting companies. B2K Analytics (formerly Brickworks Analytics) has not independently sourced any information or documentation directly from the recruiters.
3. We have verified the information with respect to remuneration, function & location as presented in the report with the communication received by GIM from the recruiters.
  - a. The information has been categorised as best as possible under different salary heads as given in the IPRS Revision 2.2; where a break-up was not available, the salary has been considered only as 'Maximum Earning Potential'.
  - b. The data points mentioned under different salary heads are representative of aggregate salary components offered to the candidates.

**B2K Analytics Private Limited**

(Formerly Brickworks Analytics Pvt. Ltd.)

3rd Floor, Raj Alkaa Park, Kalena Agrahara, Bannerghatta Road, Bengaluru - 560 076

P: +91 80 4040 9950 | E: info@b2kanalytics.com | www.b2kanalytics.com

- c. Long-Term benefits (to be paid after twelve months) like ESOPs, retention bonus and any other long-term benefit to be paid after the first year have not been considered for the calculation of 'Maximum Earning Potential' (MEP).
  - d. Stock Options (ESOPs) have been mentioned for some students with details on the amount to be vested in the first year. Hence, the corresponding fixed amount has been considered for the calculation of the 'Maximum Earning Potential' (MEP). In absence of information on the vesting schedule, 25% of the ESOP value has been assumed to be vested in the first year of employment.
  - e. We have considered the amount of gratuity in the calculation of MEP even though it is payable after 5 years of continuous service as this amount was not separately available for all the candidates.
  - f. The function details for three students could not be ascertained from the supporting documentation provided. Accordingly, the function for these students have been considered based on information furnished by GIM and supported by a written undertaking from the Placement Chair.
  - g. One-time cash payment for one student could not be verified from the supporting documents. An undertaking has been obtained from GIM confirming the accuracy of such one-time cash payment.
  - h. Wherever information was missing reasonable assumptions have been made.
4. The acceptance of offers and the number of students opting out of the placement process has been established through written communication from the students.
    - a. Out of 61 students eligible for placements, 1 student opted out of placement process.
  5. While auditing the data it was observed that not all the students have been offered one-time cash payments like joining bonus, retention bonus etc. Therefore, the average of one-time cash payments, represents the average of one-time cash payments actually received by the students and not the average of all the students.
  6. We have only audited the data related to remuneration, function & location in the placement report and not the report's overview section or any additional information presented in the report.

Best Regards,

**Ritaban Basu**  
CEO

## Overview

### **About GIM (Goa Institute of Management) and HCM Program:**

The Goa Institute of Management is among the country's premier B-schools, with a rich legacy spanning 32 years. Nestled in the scenic surroundings of the Western Ghats, the campus offers a serene and picturesque setting, creating an ideal environment for learning and intellectual growth. Its state-of-the-art infrastructure and modern facilities ensure that students remain aligned with industry standards, while enabling faculty to impart knowledge in a supportive and nurturing environment. GIM is approved by AICTE and focuses on diversity, pedagogy and curriculum and holds AACSB accreditation and AMBA/BGA re-accreditation. GIM, with its legacy of excellence, prepares students to be responsive and responsible leaders who can make a meaningful difference in society. Supported by highly qualified and experienced faculty, including industry practitioners, and a strong alumni network, GIM consistently maintains an excellent placement record.

GIM's PGDM in Healthcare Management was launched in 2013 and trains future leaders for growth in the healthcare industry. The program combines management and healthcare courses and includes initiatives like Know Your Healthcare Provider (KYHP) and other social projects (Give Goa). With increased demand for healthcare management professionals, the program offers lucrative career opportunities. Every course is designed after extensive consultation with industry experts. The six-term curriculum is designed to meet industry needs and includes core and elective courses, with focus on cultural sensitivity in healthcare contexts.

### **Recruiters participated in 2024-25:**

The recruiters participated in the final placement process for the academic year 2024-25 (listed alphabetically) are: Aakaar Medical Technologies, Accenture Tech, Adani Group, AMPS, Bain & Company, Biorad Medysis, BSV Group, Burjeel Holdings, Care Health Insurance, Cochlear, Dozee, FirstSource, Group Pharmaceuticals, HCL Tech, Heartnet India, Hosmac, Infosys, Intuitive, Johnson & Johnson, Native, NephroPlus, Philips, Providence, Prudent Insurance Brokers, Sagility, VeePhoenix Compliance Pvt. Ltd. (Doctor Alliance), Zimmer Biomet and Zydus Healthcare.
