10

Total Student Intake

04 Years

Duration

**Non -
Residential**

Type

At GIM the full time FPM programme was launched in 2020 with an intake of 6 students.

FPMNR is a part time doctoral programme with three distinct phases - Course Work, Comprehensive Examination & Research Seminar, and Thesis work.

The programme is ideal for individuals who are working professionals seeking to enhance research skills or to enter teaching careers as faculty or professors at business schools worldwide.

The programme is designed for individuals seeking a challenging, and enriching research and academic environment with an experiential learning approach.

Each student will be assigned with an area mentor in order to enhance the quality of domain knowledge. The area mentor will meet (online) and interact with the students 3 hours every month for 10 months in a year.

ADMISSION FORM & INDICATION OF RESEARCH INTEREST

Applicant needs to complete and submit the online FPM application form along with a statement of purpose (SOP) and a brief research proposal.

Statement of Purpose:

SOP Can include your background, your reasons for pursuing FPMNR at GIM, and your career goals. Should also include your research proposal - stating a research problem worth investigating in the given time frame, your motivation to select it, the methodology you would use to address it, and the potential contribution it would make to the larger body of research.

ADMISSION PROCESS

We focus on admitting candidates with the following profile mix:

Based on the Statement of the Purpose, research proposal, research interest and relevant work experience, candidates will be called for an interview for final selection. Interviews would be conducted online.

01

Academic Research

Individuals with an interest in knowledge creation to advance different management disciplines.

02

Corporate Research

Individuals with work experience in research firms focusing on consumer studies, market evaluation, and other such.

03

Consulting Experience

Individuals with experience in managing funded public and private projects, etc.
