ABOUT

GOA INSTITUTE OF MANAGEMENT

GIM is dedicated to preparing students to become responsive and responsible leaders, poised to make a positive impact on society. Our institution proudly offers the Fellow Program in Management (FPM), a comprehensive four-year residential doctoral program approved by AICTE. Nestled on a picturesque 50-acre campus, we provide a conducive environment for learning and fostering creative thinking. We also offer post-graduate programs in management.

At GIM, we emphasise innovative pedagogy and curriculum design.

Our approach goes beyond traditional teaching methods, encouraging peer interaction and informal communication with faculty. Students actively manage various activities within the institute, enhancing their practical skills and leadership capabilities. To further enrich their learning experience, students at GIM have the option to participate in a diverse range of athletic and cultural activities, contributing to their holistic development.

Our faculty members are not only highly qualified but also bring extensive research and industry experience to the table. This combination ensures that our students receive a well-rounded education that aligns with real-world challenges and opportunities.

ABOUT THE PROGRAMME

FPM is a full-time doctoral program with three distinct phases – Course Work, Comprehensive Examination & Research Seminar, and Thesis work. The program was launched in 2020 with an intake of 6 students. The programme is aimed at training research scholars for a career in academia and practice. They will get an opportunity to work as teaching and research assistants.

All admitted scholars are entitled to a scholarship and will have the opportunity to attend national and international conferences, workshops, etc. They will receive one of the highest stipends in the country, amounting to **₹62,000/month** for the entire four-year duration.

Total student intake:
20

Duration:
04 Years

ELIGIBILITY

Applications for admission to the full-time FPM program are invited from post-graduates.

A Master's Degree / Equivalent in any discipline, with at least 60% marks or equivalent Grade Point Average.

Admission form & indication of research interest

Applicant needs to complete and submit the online FPM application form along with a statement of purpose (SOP) and a brief research proposal. Application Fees: Rs. 20000/ + GST (18%)

SOP Can include your background, your reasons for pursuing FPM at GIM, and your career goals. Should also include your initial research proposal – stating a research problem worth investigating in the given time frame, your motivation to select it, the methodology you would use to address it, and the potential contribution it would make to the larger body of research.

Letter of Recommendation:

The application requires two letters of recommendation. The recommenders can email their recommendations directly to the mail id: fpm@gim.ac.in, mentioning the candidate name in the subject line.

We focus on admitting candidates with the following profile mix:

01

Academic Research

Individuals with an interest in knowledge creation to advance different management disciplines.

02

Corporate Research

Individuals with work experience in research firms focusing on consumer studies, market evaluation, and other such.

03

Consulting Experience

Individuals with experience in managing funded public and private projects, etc.

Freshers can also apply

ADMISSION PROCESS

Based on the Statement of the Purpose, research proposal, evaluation of past academic performance, research interest and relevant work experience, candidates will be called for an interview for final selection. Interviews would be conducted online.
