Country Collaborations

With partner universities across 5 continents, the international linkages of GIM are designed to provide a global learning exposure. Through our International Exchange Programmes, Country Immersion Programs, term exchange Programs, Joint International Internship Seminars, and X Culture Programs, we aim to create culturally sensitive managers with a global outlook.

Atal Incubation Centre-GIM

Supported by the Atal Innovation Mission, NITI Aayog, AIC-GIM is GIM's sector-agnostic startup incubation and entrepreneurship arm. It supports startups through incubation, mentorship, funding and industry connections. Its combined startup portfolio valuation has crossed ₹1,000 crore, with a growing focus on AI, ML, Healthcare and TRL 5+ innovations.

Centres of Excellence

At GIM, we believe that our responsibility as a management institution isn't restricted by the boundaries of a classroom. Through our various CoEs, we contribute to our community from multiple angles.

20+ Student Clubs

Clubs, cells, and communities that shape how you learn, lead, create—and belong. GIM's club ecosystem is entirely student-driven: you'll plan events, host industry leaders, compete, volunteer, and ship ideas
