## About Conference

The conference on Finance and Sustainable Finance brings together scholars, policymakers, and industry leaders to explore how financial systems can support a low-carbon, resilient future. Discussions span green investments, climate risks, ESG integration, and innovative financing models that link economic growth with environmental responsibility and long-term sustainability.

## About GIM

Goa Institute of Management (GIM) striven for excellence in the management education and research. GIM has four major flagships programme i.e. PGDM, PGDM-Healthcare Management and PGDM-Big Data Analytics, and an Executive PGDM (part-time) to nurture future leaders. GIM has earned both national and international accreditation for its quality in teaching and research. GIM has signed MOUs with different international universities such as University of Antwerp, Catolica Lisboa School of Business & Economics, Warsaw University of Technology Business School, Lappeenranta University of Technology, and ISCTE Business School, Kansas University for students and faculty exchanges.

## About NSE

NSE (National Stock Exchange) is an institution of national importance with international stature. We are a trusted market infrastructure institution with high standards of corporate governance. A homegrown brand with a global vision, NSE is counted as one of the world's largest exchanges and a catalyst for driving India's economic growth. NSE was the first exchange in India to implement electronic or screen-based trading which began its operations in 1994; a pioneer in technology which ensures the reliability and performance of its systems through a culture of innovation and investment in technology. NSE operates a market ecosystem to bring in transparency & efficiency. Our robust state-of-the-art technology platform offers high levels of robustness, safety and resilience for trading and investment opportunities across all asset classes and for all categories of investors. NSE is focused on investor protection and disciplined development of the Indian capital market landscape.
