

TEDxGIM Activity Calendar 2025- 2026

| No. | Events | Deliverables/ Description | Date |
|-----|-----------------------------------|---|----------------------------------|
| 1 | Merchandise sale | The TEDxGIM merchandise sale is an initiative by the club to extend the spirit of TEDxGIM beyond the stage. Each piece of merchandise is thoughtfully designed to reflect the club's essence, allowing individuals to wear their ideas and express their identity. Through this sale, we aim to build a stronger sense of community, spark curiosity, and create lasting connections with the TEDxGIM experience. | 27th October 2025 |
| 2 | JCC pre-event | The Junior Core Committee (JCC) of TEDxGIM will be organizing a pre-event ahead of the Chapter 6 of TEDxGIM. This initiative aims to build excitement, enhance campus engagement, and create awareness about the upcoming TEDxGIM event. Through interactive and insightful activities, the pre-event will serve as a curtain-raiser, giving the community a glimpse of the ideas and energy that define TEDxGIM. | 17th January 2026 (Tentative) |
| 3 | TEDxGIM Chapter 6 (Main event) | TEDxGIM Chapter 6 is the flagship event of TEDxGIM, designed to celebrate the power of ideas and stories that inspire change. Curated and executed by the student team at GIM, the event brings together visionary speakers, thought leaders, and changemakers who share their perspectives on a common theme. Through these talks and interactive experiences, TEDxGIM aims to ignite curiosity, spark conversations, and inspire action within and beyond the campus community. As an independently organized TEDx event, we adhere to the global TEDx platform's official format, rules, and regulations. Each year, we receive a license to host the event for one day, with a maximum audience capacity of 100 members, while also operating within defined budgetary constraints. | TBD |
